

AdvisoryCloud Honored by Best in Biz Awards 2017

NOVEMBER 29, 2017 – NOVATO, Calif. – AdvisoryCloud, the largest member-based community of active board members and advisors, has been named a silver award winner in the Fastest Growing Company of the Year category by Best in Biz Awards, the only independent business awards program judged each year by prominent editors and reporters from top-tier publications in North America.

“It’s an honor to be recognized by Best in Biz Awards for the growth of our business,” said Jonathan Aspatore, CEO of AdvisoryCloud. “The biggest driver for our success is our unique ability to blend technology and personal touch to connect companies with qualified board members. In the next year as we continue to grow our core business, we’re looking forward to enhancing the services we offer to both our executive and corporate clients through new advisory products and solutions.”

Since 2011, winners of Best in Biz Awards have been determined based on scoring from independent judging panels composed of prominent editors and reporters from some of the most respected newspapers, TV outlets, and business, consumer, technology and trade publications in North America. Best in Biz Awards’ uniqueness stems, in part, from this distinct composition of its judging panels, allowing it to best leverage the judges’ unparalleled expertise, experience and objectivity to determine award winners.

The 2017 judging panel included: Accounting Today, AdWeek, Associated Press, Atlanta Tribune, Business News Daily, Consumer Affairs, Entrepreneur, eWeek, Forbes, Harvard Business Review, Healthcare Innovation News, Inc., Investment Advisor Magazine, Laptop, MediaPost, Pittsburgh Business Times, Security Products Magazine, Wired, WLRN and Yahoo Tech.
